The Billy Clapper / YPCC Varsity Girls College Skills Camp will place an emphasis on the improvement of each participant's individual skill level. We will focus primarily on developing offensive skills in the half court and improving playing in transition.

The camp is specifically scheduled at the beginning of the Summer so that each player has time to work on the skills learned at this camp throughout the rest of the Summer. Each player who participates in this camp will be introduced to advanced fundamentals with the goal in mind of having the opportunity to play at the collegiate level.

To register for the camp please contact Coach Billy Clapper at 814-251-3383 or by email at BClapper4@hotmail.com to reserve your spot and then return application with payment to address below. The camp will be limited to the first 20 participants who register. *If you sign up with a friend or teammate you will each receive a \$5.00 discount per person. We hope to see you at our camp this Summer!
